

125 E. John Carpenter Freeway, Suite 160
Irving, TX 75039

We are located on the canal, directly across the water from The Cellar Bar & Grill.

We recommend parking on Las Colinas Boulevard. From 9am - 4pm you may park on the south side of the street. The north side of the street (in front of the Omni Mandalay Hotel) is open for parking at all times. From Las Colinas Boulevard, come down the stairs near the bridge. We're right on the southeast corner of the building.

If there is no parking available on the street, please park in the VHA Building parking garage. It is located just east of us, adjacent to The Cellar Bar & Grill.
