Underneath the mask is a real-life hero — a brave child with the need for a warm, comfortable place to rest when not in battle.

Thank you for your support! We couldn't do it without you!

No child should have to fight illness alone.

Because of you, they don't have to.

An Ordinary Toddler With an Extraordinary Fight

Olivia Heindl, age 2
Juvenile Myelomonocytic
Leukemia (JMML)

The Heindl family entered the overwhelming world of central lines and chemotherapy when Olivia was just one year old. The young toddler suffers from a form of Leukemia so rare it took months to diagnose accurately.

A week before Christmas 2011, Trina Heindl left Hot Springs, Arkansas to bring her daughter to Children's Medical Center of Dallas for a bone marrow transplant. An RMHD isolation suite was their temporary "home" until the end of April 2012. Olivia didn't feel well most of the time but enjoyed spending time in the craft room.

"It's the distraction of so many family activities and interaction with other families like us that helped us get through the long days of Olivia's recovery," Trina told us.

“The journey of a thousand miles begins with a single step.”

Vera R. Bangs
2012 Board Chair

The Ronald McDonald House of Dallas (the “House”) has been on a journey of more than three decades that began when a group of selfless, community minded people came together to take that fateful first step to create the “House that Love Built.”

Many steps and a capital campaign later, a beautiful new House welcomes families with seriously ill or injured children who seek treatment in a Dallas-area hospital. Change and growth have strengthened our resolve to continue the rich legacy of the House.

On behalf of the Board of Directors for the House, I humbly thank each member of the staff, all of our volunteers and the vast number of donors who make it possible to accomplish the mission of the House.

The families we serve are on journeys of their own. For many, the stress associated with a child’s treatment is compounded by being far from the comforts of home, family and friends. The House provides a nurturing atmosphere of support from dedicated staff and volunteers, as well as other families. During their darkest

times, when it must be an effort to simply put one foot in front of the other, these amazing families summon the courage and grace to support others. I received an email from a family member who recently stayed at the House and he said, in part, “... the rare opportunity to be a part of RMH Dallas was nothing short of amazing. ... It was a privilege to hear and be a part of the stories of so many other families. ... We will forever treasure those conversations and relationships...”

When I agreed to become Board Chair for this incredible collection of individuals who serve the House, I committed to lead the group through an exciting period of change. As we continue to “settle in” at the new, beautiful House, we know that change is part of the journey. Let us hold up the families we serve as examples of strength, courage and grace. With our wonderful staff, volunteers and donors, we are ready for any challenge—one step at a time.

Volunteers Give their Time for Free

That's What Makes Them Priceless

In February, the House was filled with over 70 community volunteers who were honored for their service to the RMHD -- many who've been with us for years. The delicious food was catered by Thornhill Catering and the beautiful flowers were by Southern Botanicals. Co-chairs of the event were Young Friends members, Carrie Crossman and Barrett Van Zandt. Thank you to everyone who made this event a success.

Kay Cox is shown helping an RMHD guest create a mask for a school project in the craft room.

Kay works in the craft room 2 days a week. Her goal is to recruit enough volunteers to keep it open every day.

Thank you Kay!

Dallas Cowboys Running Back **DeMarco Murray** joined friends Allison McDaniel and Katherine Tranum in the kitchen and took time to pose for a few pictures also!

The Easy Slider food truck visited RMHD at lunch time Sunday May 6. The families enjoyed the fun atmosphere and the excellent food. **Thank you to the Foresters for making this happen!**

The **First Baptist Christian Academy Daisy Troop** visited and toured the House after donating over \$500 of Girl Scout Cookies. They also donated 65 cents from every box of cookies they sold this year, which totalled \$1,164.00. Thanks to all the girls and their parents for these fabulous donations.

A big thank you to **William Borus** who completed his Eagle Scout project by raising \$4,900 and using that money to purchase 700 books and 2 rolling carts. He donated those items to the RMHD and spent an evening reading some of the books to our families.

Dr. JoAnn Cornet becomes the newest member of the The Beacon Society.

contributed by Barbara McDermott

Except when rooting for her alma mater Stanford against the University of Texas, Dr. JoAnn Cornet is an ardent Longhorns fan. After retiring as a pediatric oncologist at Children's Medical Center, Dr. Cornet moved to Lakeway in Austin to pursue her second passion golf and became an enthusiastic supporter of all things UT.

Dr. Cornet's first passion was medicine. Her father was a physician, and she knew from an early age that she wanted to be a doctor. She graduated from medical school at Case Western Reserve and chose pediatric oncology as her specialty. While working at a children's hospital in Chicago, JoAnn was introduced to the Ronald McDonald

House. Shortly after arriving at Children's Medical Center in Dallas, she began exploring the idea of a Ronald McDonald House for Dallas. She enlisted the help of her good friend Dr. Peggy Sartain, the administrative staff at the hospital, several parents of children being treated for cancer at Children's, and a volunteer Sandra Estess, who ultimately chaired the first capital campaign.

The Ronald McDonald House of Dallas opened in 1981, and the first chair of the board of directors was Dr. JoAnn Cornet. When Dr. Cornet retired to Austin, she became active at the Austin RMH and served on its board. However, her heart has stayed true to the RMHD, and she proudly displays her collection of railcars at Christmas from the Trains at NorthPark.

Looking back on her career, Dr. Cornet says she is most proud of the fabulous new RMHD and the advances that have been made in the treatment of children with cancer. So that the Ronald McDonald House of Dallas will always be a beacon for the children and families who need the House, Dr. Cornet has included the RMHD in her estate planning. Long-time friends Dr. Dale Fuller and Peggy Hill, co-chairs of The Beacon Society, are delighted to welcome JoAnn as a new member!

Tee off and support the Ronald McDonald House.

The 21st Annual Addison Rotary Open presented by GLM DFW, Inc. will be held September 10, 2012. This four-man team scramble tees off at 12:30 p.m. Once you've completed 18 holes, you can relax amid the fun and excitement of our After Tournament Party at the Gleneagles Clubhouse. Dinner and beverages will accompany a raffle and the presentation of prizes, awards, and a live and silent auctions. Visit www.rmhdallas.org for more information and to sign up.

“I don’t feel like I’m working, I feel like I’m helping.”

— Maison Vasek

Maison and Ashley Vasek agree, “It’s not what we were expecting – it’s ground level. It feels good when you go home at night. The best part is when you’re stopped on the way to the dumpster by a family who thanks you and tells you how great you are.”

With busy jobs and lives, it can be challenging to find the time and energy to show up for a three-hour shift after a long day at work. “Once I get here, I feel energized immediately,” said Maison. “I never regret it.”

They enjoy getting to know new people and admit their Thursday night group is very close — like family. Once you’re here, you

Maison had such a sense of pride about the House that he couldn’t wait to show it to his parents, Rick and Jennifer Vasek. Now they cook dinner a couple times a year. **Thank you Vasek family!**

understand the volunteers play a very important role in the operations of the House. Ashley said it best when she told us,

“We are the brand of RMHD, the interaction with the customers. It’s what makes RMHD more of a House versus a hotel!”

On Saturday February 25, the **Dallas Junior Forum** brought more than 150 members from around the state of Texas to the RMHD to complete three service projects. They cut material and created 60 vibrantly colored “no-sew blankets”, stuffed complimentary “Welcome Bags” with necessities, and prepared and packed box lunches for the families. **Thank you for everything you do!**

\$500

the amount of dollars raised for the 2011 Trains at NorthPark event

Throughout the last year, these enterprising teens served RMHD families in many meaningful ways, including ...

- bingo, movie and craft nights,
- "Chore Saturdays,"
- a family car wash,
- monthly donation drives,
- working more than 70 shifts at the Trains at NorthPark, and
- raising \$500 to secure a Trains at NorthPark sponsorship.

It was teen Ellie Skochdopole, who started the Teen Board with approximately 20 Teens and it's the teens themselves that have made it what it is today. Applications to join for the 2012-13 school year are being accepted until July 2 on our website. Please contact Missy Bailey at 214-631-7354 with questions or visit www.rmhdallas.org to download an application packet. We are looking forward to another fabulous year!

Did You Know?

over **31,000** families have called RMHD home since opening in 1981

we're the **12th** Ronald McDonald House to open in the United States

we were the **1st** US House to open debt free and we still remain debt free today

Mission

The Ronald McDonald House of Dallas serves as a "home-away-from-home" for families of seriously ill or injured children who are hospitalized or receiving treatment in Dallas area hospitals. The House maintains a caring, homelike atmosphere and provides a place where families receive strength and stability from others who share similar concerns.
